

Basic Theology

What Does God Do?

Read Hebrews 1:1-4. What do we hear God doing in these verses?

Heb 1:2 - through whom also he created the world

Heb 11:3 - universe created by the word of God

God created the world

First discussion: God made all things, and God provides for all he made.

As we read the following verses, consider not just *that* the scriptures teach these things, but *how* we are to respond to them.

1. Genesis 1:1,29-31
2. Job 38:4,41
3. Psalm 33:6-9
4. Psalm 104:24,27
5. Psalm 136:25
6. Matthew 5:45
7. John 1:3
8. Acts 14:15-17
9. Colossians 1:16-17
10. Revelation 4:11

Second discussion: God specially provides _____redemption_____ for his people.

As before, consider not just the doctrine itself, but *how* we are meant to respond.

*For extra enrichment, how do you see different persons in the Trinity at work in some of these?

1. Genesis 3:15,21
2. Exodus 6:6
3. Job 19:25
4. Psalm 111 (esp. vv. 2,5,9)
5. Isaiah 43:1
6. Isaiah 54:4-8
7. Luke 1:68
8. Galatians 4:4-5
9. Titus 2:11-14
