

## Basic Theology

### What Does Jesus Do?

When we earlier asked “What does God do?” we answered:

God created all things, and he provides for all he made.

God specially provides redemption for his people.

Today we ask “What does Jesus do?”

In Luke 24:21, what did the disciples say they had hoped Jesus would do?

Redeem Israel

In Luke 24:26, what two aspects of the Christ’s work did Jesus say were necessary?

His suffering and his glory

**Jesus works as our redeemer in both his suffering and his glory.**

Part A: Verses on Christ’s work as redeemer
